Seven County Players On North Grid Squad

Negaunee-Marquette county has seven representatives on the North squad for the Upper Peninsula all-star game with Marquette topping the county boys with three—Tom Peters, Steve Petros and Bob Parent. Ishpeming has Donald Knudsen and Eugene Bilkey, while Clarence Rivers and Kenneth Jennings will be the Negaunee representatives.

The North squad was chosen in the same manner as the South squad, which was named last week. High school graduates of this year were asked to submit applications and sports writers and sports announcers of the North voted to select the more outstanding players. The boys selected were notified and asked if they would be able to participate in the game.

Gustafson Missing

Notable among the missing on the North team of 25 players is Roy Gustafson, Newberry backfield ace of last year.

Gustafson earned praises as one of the Upper Peninsula's outstanding players. After he had been notified of his selection he informed the committee that a college scholarship commitment would not permit him to play the game. The committee is still hoping this matter might be straightened out and Gustafson could appear in a North uniform.

The complete North squad is as follows:
