Xcel Physical Therapy **1515 Hwy 26 South** **Jefferson, WI 53549** **608-279-6960**

Xcel Physical Therapy is an outpatient physical therapy clinic located in Jefferson on Highway 26, next to County Market. Xcel specializes in the following types of injuries: Sports Medicine, Orthopaedic, Post-Surgical, Sprains & Strains, Low Back Pain and Workers Compensation. Weekend warriors and recreational yard workers, who have found themselves with aches and pains that don't heal as quickly as they used to, are also Xcel specialties.

All insurances are accepted and Xcel offers "In Network" benefits to all patients, regardless of their plan. Many small business insurance plans require patients to travel long distances to receive care from large "In Network" providers. Xcel eliminates the need to leave the area in order to receive quality care. No referral is needed to access Xcel Physical Therapy. Simply call to schedule an appointment.

Xcel Physical Therapy Owner/Director is Dr. Todd Goldbeck. He holds numerous professional credentials, including Doctor of Physical Therapy, Licensed Athletic Trainer, Certified Strength & Conditioning Specialist and Certified Sports Therapist. Todd is a Jefferson native, former Valedictorian and multi-sport standout at Jefferson High School. He is involved with many of the sports teams at the schools and also performs summer camps for the athletes.

Xcel Physical Therapy provides the people of Jefferson and the surrounding communities with the highest quality physical therapy care and a hometown feel.
