WWCA gives official endorsement to The Penalizer

The Wisconsin Wrestling Coaches Association (WWCA) Board of Directors met prior to the annual WWCA clinic to discuss giving a formal endorsement to The Penalizer, Wrestling Penalty Scoreboard. The Penalizer was developed by Todd Goldbeck, Xcel Wrestling Owner/President and WIAA Master Level official, and will be used at the WIAA State Tournaments, Individual and Team. Xcel Wrestling will also donate \$5 from each Penalizer sold in Wisconsin to the WWCA.

The WWCA Board made the decision to endorse The Penalizer. The coaches have been very pleased with The Penalizer and look forward to having one be present at every high school match in the near future.
