U.P. Gridiron All-Stars In Top Condition

Negaunee-Responding amazingly in an intensive drill, the Upper Peninsula's football all-stars are in top condition for the North-South game to be offered under the lights of the Negaunee playgrounds tomorrow night.

Coming here in good physical condition, the boys have come through a week of practice that has left them bursting with pep and a desire to give the fans a thrill-packed game.

Oscar Wassberg, director, pointed out that each boy has several years' experience backing him and needed only a brushing up on fundamentals.

Final drills tonight for the South squad give each team one night under the lights to get accustomed to floodlight play.

There are still a few reserved seats left, but 5,000 general admission tickets will be offered for sale.
