Todd Goldbeck of Xcel Physical Therapy took part in the scholarship banquet held recently at Jefferson High School. Goldbeck presented two scholarships, the Michelle and Craig Auerbach Memorial Scholarship and the Viterbo University Scholarship.

The Viterbo University Scholarship was presented to Erin Moldenhauer in the amount of \$36,000. Moldenhauer will be attending Viterbo in the fall and playing volleyball.

The Auerbach Scholarship is given in memory of Michelle and Craig Auerbach, of Rome, who died tragically in a car accident on their way to Jefferson High School one icy morning in 1985. The Auerbachs went to Sullivan Elementary School, then Jefferson Middle and High School. Goldbeck also attended Sullivan Elementary with the youngest Auerbach, Lisa, and made reference to the strong ties that the Sullivan Stingers all possessed. Brandon Goldbeck, Todd's brother, was the first recipient of the Auerbach scholarship in 1990, which was in the amount of \$500 at its inception.

The Auerbach Scholarship was awarded to Bailey Hutchison in the amount of \$8000.
